

Directions to Impact's office

The full address is:

"The Priory"
High Street
Redbourn
Hertfordshire AL3 7LZ

Telephone: 0845 226 3210

Email: info@impact-training.co.uk

Website: www.impact-training.co.uk

Travelling by car

Please see attached map. The easiest way to find Redbourn is by leaving the M1 at Junction 9. Follow the signs for Redbourn (A5183). You will pass the Herts County Show ground on your right hand side. After approximately 2 miles you will come to a roundabout. Redbourn is to your right, Harpenden is to your left, St Albans and Hemel Hempstead are straight on. Turn right into Harpenden Lane (which is shown on the map). After another half a mile you will see a fire station on your right (look for the tall concrete tower). The main road bends round to the right, but you should turn left here. You are now at the top of the High Street. The Priory is down at the other end of the High Street.

Parking

The car park directly behind The Priory (entrance via Monks Close) is all allocated to private individuals and is unfortunately not available for visitors. (If you have mobility difficulties please let us know in advance and we'll make one of these spaces available for you). Otherwise there is plenty of parking nearby.

You can park in the bays along the side of the High Street for up to two or three hours (just check the signs before leaving your car). So if you are coming for a short meeting then you will almost certainly find a space very close to our office.

If you are staying for longer then there is a public car park shown. Just make sure you park in an appropriate bay. Coming out of the car park you should walk through the walled garden and you will emerge on the High Street a short way up from The Priory.

Travelling by public transport

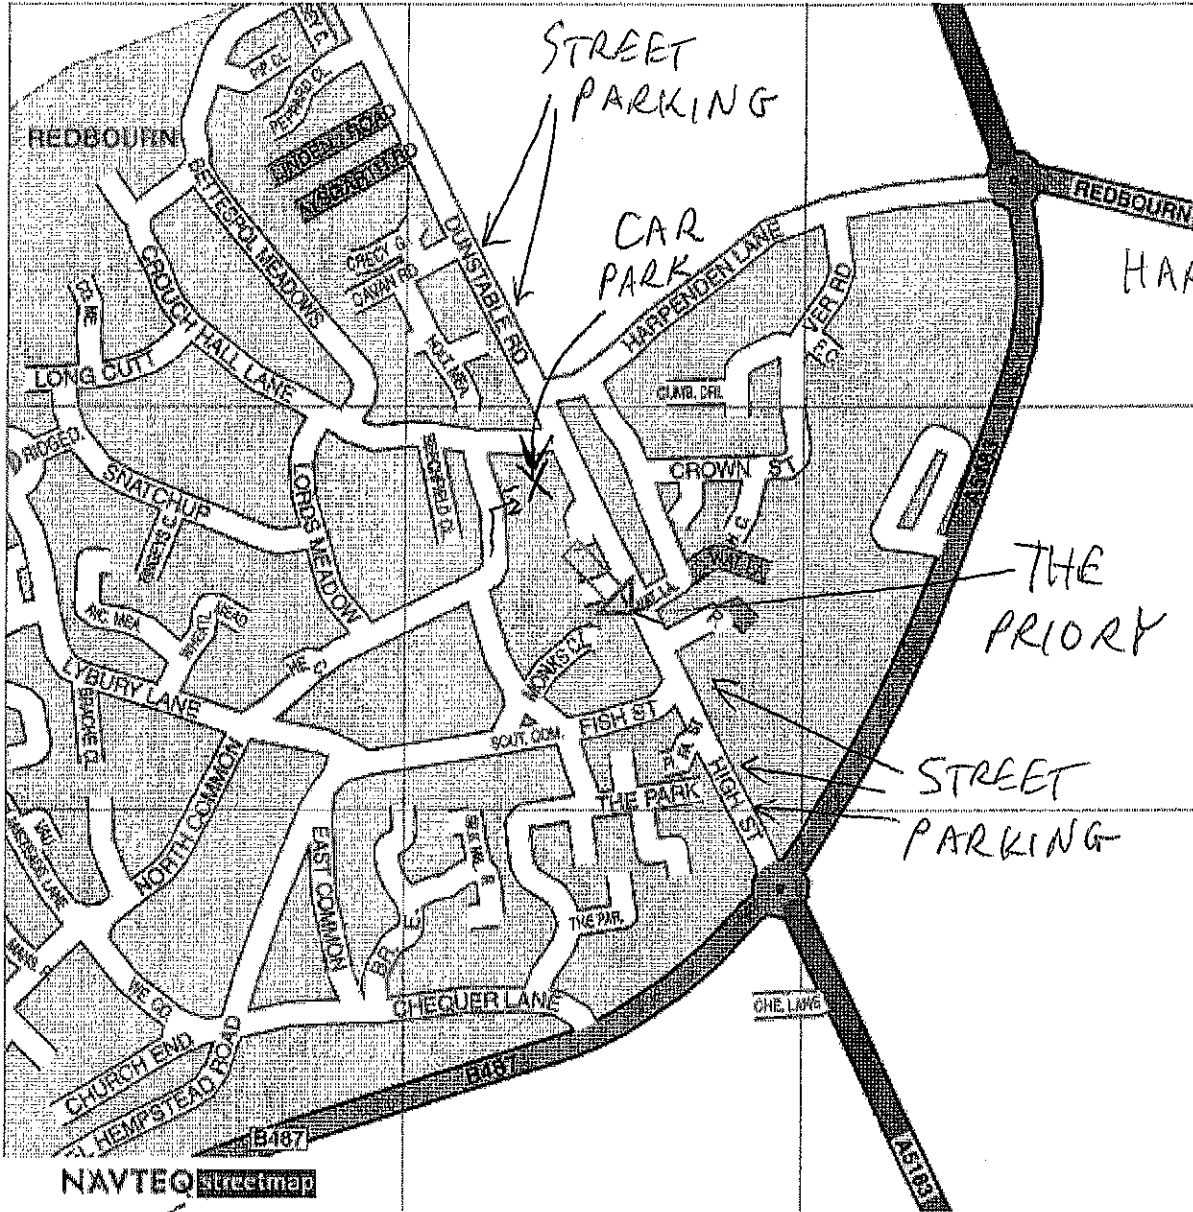

The nearest station is Harpenden which is just over 2 miles away and which is situated on the Thameslink Line. There is a taxi rank directly outside the station. The nearest airport is Luton, which is about 6 miles away.

Finding The Priory when you are in Redbourn village

The Priory has no street number; however we are directly opposite a small cottage which is number 29. There is only one High Street running through the centre of Redbourn village. If you are travelling slightly downhill on the High Street (ie away from the fire station) then The Priory is on your right hand side, towards the bottom of the Street, virtually opposite the junction with Waterend Lane. The Priory is the tallest building in the High Street. Keep The Priory on your right hand side and walk past it slightly, then turn right through a set of black wrought-iron gates. Keep the building on your right, go past the first door (Oakbridge) and turn right again and enter through the next door on your right. Come down the stairs and you'll be in our office.
